MOVIN’ ON UP – A
Theme Song to the Jefferson’s
we play it out of G – Capo 2

G                                                        C
Well we're movin on up to the east side.

G                                                        D7
To a deluxe apartment in the sky.

G                                                        C
Movin on up to the east side.

G                                                        D7
We finally got a piece of the pie.

G                                                        F-F#
Fish don't fry in the kitchen;

G                                                        F-F#
Beans don't burn on the grill.

G                                                        F-F#
Took a whole lotta tryin'
Just to get up that hill.

G                                                        F-F#
Now we're up in the big leagues

G                                                        F-F#
Gettin' our turn at bat.

G
As long as we live, it's you and me baby

D7
There ain't nothin wrong with that.

G                                                        C
Well we're movin on up to the east side.

G                                                        D7
To a deluxe apartment in the sky.

G                                                        C
Movin on up to the east side.

G                                                        D7
We finally got a piece of the pie.
